CORVETTE PARTS & MOTORING ACCESSORIES

Serving you since 1983...

For over 25 years, Corvette Pacifica has been the largest West Coast distributor of aftermarket and replacement Corvette parts for all model years from 1953 to present.

Located on the beautiful California Central Coast, we have a complete warehouse inventory of over 25,000 part numbers.

Enjoy our “Too Hot For Winter” Sales Flyer and let us know how we can help you! Sale Ends: 2/28/10

1968 Emergency Brake Console

Made from **new tooling** based on an original Corvette emergency brake console. This is the first time an exact reproduction has been available in the history of this part. Correct grain texture, plus a more durable material make this a high quality reproduction.

CORVETTE PARTS & MOTORING ACCESSORIES

* fuel kits *

These fuel tank systems provide almost all parts related to the fuel tank with the exception of the tank support. Bring your fuel system back up to factory standards and make your job easier by ordering with just one part number. All components are of high grade quality construction.

Note: Picture shows representative sample only. Kits may include more or less parts than image shown
