A

SPEAKER, Custom Autosound Challenger Custom designed for 63-82 Corvettes. The aluminum tabs on each end of the assembly allow a "pressure fit" against the carpeting. This Swedish-designed assembly has two Philips 5" bass reflex speakers and two Philips 2" tweeters with matching crossover network. The active bass ports and maximum of 140 watts allow crisp highs and astounding bass levels. Your 68-82 courtesy light can be easily fitted into the foam center of the assembly. Black and can be dyed to match.
